

# DISCOURSE STUDY

## OVERVIEW OF STUDY

### **Working Title**

The Discourse Skills of Monolingual and Bilingual School-aged Children

### **Objective**

Analyze the development of discourse skills (conversation, narration, expository) in monolingual and bilingual children between the ages of 7 and 12.

### **Research Questions**

- 1** What is the developmental pattern between ages 7 and 12 for discourse skills (conversational, narrative and expository) in monolingual and bilingual children?
- 2** How does this developmental pattern vary based on type of discourse?
- 3** What is the impact of bilingualism on the development of discourse skills?
