## Earth-wise and Heart-centred Teacher Education in the Anthropocene

Webinar on October 16, 2024

### **Presenter Information**

**Dr. Alysha Farrell** is the Dean of Education at Brandon University. An educator in Manitoba for over 20 years, her research focuses on relationship building and the emotional dimensions of teaching, leading, and learning in the face of climate change.

**Dr. Candy Jones** is currently an Associate Professor and Chair of the Department of Curriculum and Pedagogy in the Faculty of Education at Brandon University. She is passionate about teacher education as well as the provision of effective and meaningful teacher professional development, particularly for teachers in rural contexts.
